THE CONNECTED HR ECOSYSTEM

01

Core HR & Self-Service

Profiles, directory, org chart, reporting lines, documents, e-signatures and governed access.

02

Time & Attendance

Clocking, timesheets, mobile geofence audit, approvals, working-time trends and fair behavior signals.

03

Payroll & Compliance

Payroll cycles, payslips, PAYE, UIF, SDL, ETI, EMP201, IRP5, EEA and COIDA workflows.

04

Recruitment & Onboarding

Vacancies, applications, candidate portal, secure offers, contracts, e-signing and onboarding.

05

Performance & Growth

Goals, reviews, dual sign-off, training, WSP records, development plans and recognition.

06

Wellbeing & Relations

Private check-ins, consent, support plans, interventions, follow-ups and employee relations cases.

07

Workforce Intelligence

Sixteen governed cubes with pivots, charts, filters, exports, trends and role-scoped insight.

08

Security & Resilience

WAF, IP controls, maps, signed webhooks, audit, privacy, queues and verified backups.

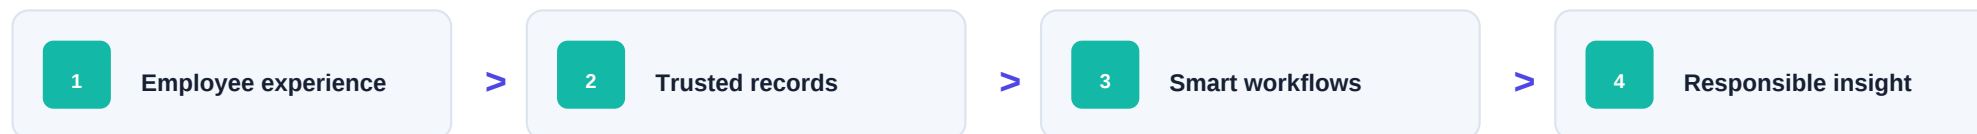

Designed for employees, managers, HR, payroll and executives - one trusted operating system for people.

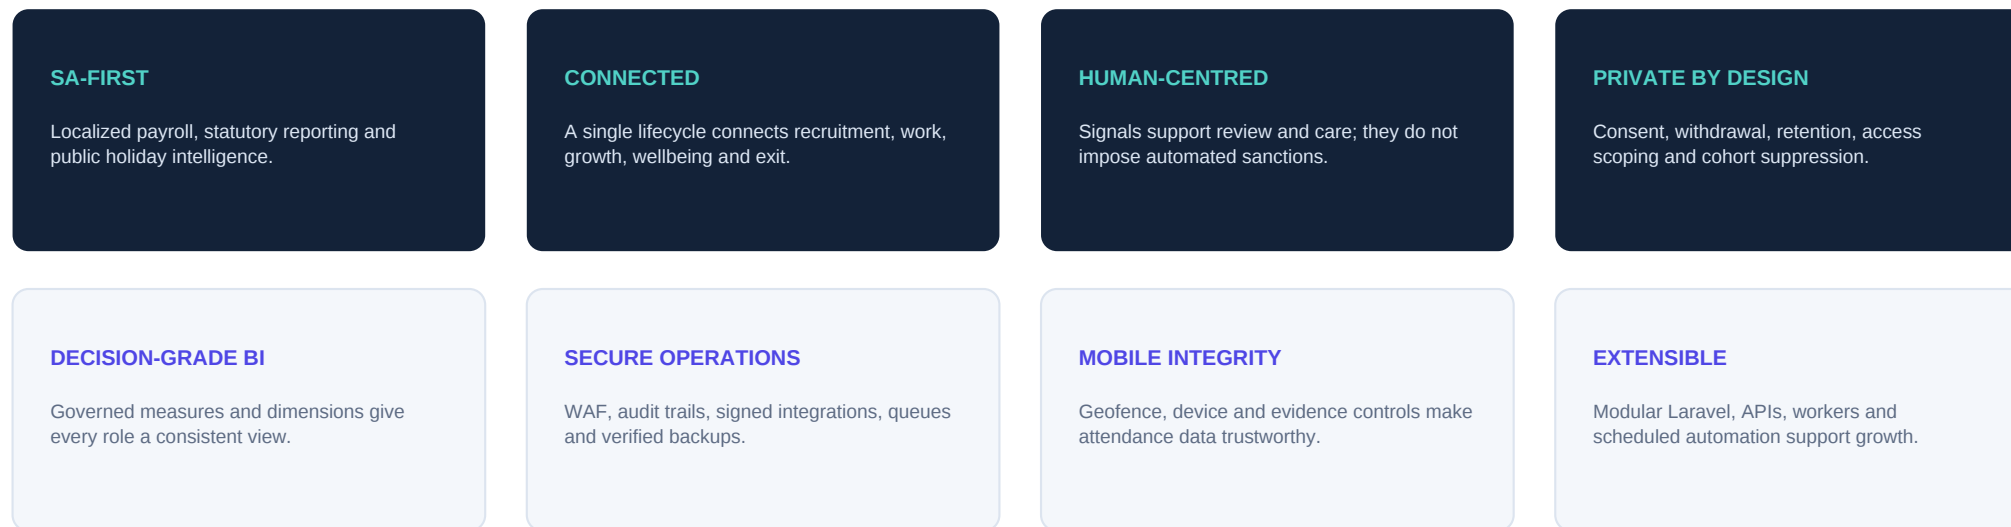

WHY MISHR STANDS OUT

Responsible intelligence. Local relevance. Enterprise-grade control.
